# Emotional Quotient Accreditation

## Why DTS International?

DTS International is the Australian Master Distributor for the TTI Success Insights Suite of Profiles. TTI is the world leader in researched and validated assessment tools. They are based in more than 70 countries and our program is delivered by Accredited professionals who have a wealth of knowledge and experience with the tools.

## What is the TTI EQ?

Our ability to recognise and manage our emotions is called Emotional Intelligence. Emotional Intelligence is often cited as the fundamental difference in superior decision making and performance. The TTI Emotional Quotient Report gives you an overview of your Emotional Intelligence based on the 5 fundamental pillars of Emotional Intelligence:

**1. Self-Awareness:** Being aware of your own emotions.

**2. Self-Regulation:** Being able to manage your emotions (to positive outcomes).

**3. Motivation:** Taking responsibility for your own motivation.

**4. Empathy:** Being aware of others' emotions (and emotional states at any one point in time).

**5. Social Skills:** Being able to coach positive emotions and positive outcomes in others.

## Who Should Attend?

This workshop's principles translate to all aspects of business and personal life. This program can assist novices to seasoned professionals.

- ✓ HR Professionals
- ✓ L&D Professionals
- ✓ Managers

# Emotional Quotient Accreditation

## All Resources Included

With our 30 years of experience, we have created the most thorough, customisable and user friendly EQ resources in the world. When you attend our EQ Accreditation, all of these resources are included in the price of your accreditation.

## We'll Help Construct Your EQ Program!

To ensure you have the confidence you need to apply the EQ assessment, we also include a private follow-up session to help design your first training, interpret your first EQ profile and clarify any questions. Again, this is all included in the price of accreditation.
